{ STRAWBERRY-CANDY SUGAR COOKIES }

INGREDIENTS

- 2 cups of all-purpose flour
- $\frac{3}{4}$ teaspoon baking powder
- $\frac{1}{4}$ teaspoon coarse salt
- 1 stick unsalted butter, room temperature
- $\frac{2}{3}$ cup fine sugar
- 1 large egg
- $\frac{1}{2}$ cup flat round strawberry candies

METHOD

1. Preheat oven to 180 degrees. Whisk together the flour, baking powder and salt.
2. Beat the butter with fine sugar in a mixer on medium speed for about 2 min until light and fluffy. Beat in the egg while scraping down the sides of bowl.
3. Reduce speed to low and beat in the flour mixture. Refrigerate dough for about 1 hour until firm.
4. Place the candy in a resealable plastic bag and crush with a mallet till fine.
5. Take the dough and use a teaspoon to form balls of dough for small cookies. For large cookies, use a tablespoon.
6. Bake, rotating sheets once, until the edges are starting to brown (around 11 min for small cookies, 14 min for large ones). Remove from oven and cool on parchment-lined wire racks. Break off any bits of melted candy from the edges of the cookies, if necessary. Cookies can be stored in an airtight container, between sheets of parchment or waxed paper, for up to 1 week.

{ CINNAMON-ALMOND STARS }

INGREDIENTS

For The Cookies

- 1 cup almonds
- $1\frac{1}{2}$ cup brown sugar
- $2\frac{1}{2}$ cups all-purpose flour, plus more for dusting
- $\frac{1}{2}$ teaspoon cinnamon powder
- $\frac{1}{2}$ teaspoon baking soda
- $\frac{1}{4}$ teaspoon coarse salt
- 1 stick unsalted butter, room temperature
- 1 large egg, lightly beaten

For The Icing

- 2 cups icing sugar
- 2 tablespoons water
- $\frac{1}{2}$ teaspoon pure vanilla extract
- $\frac{1}{2}$ teaspoon finely grated orange zest
- Gold pearlised sugar
(available at baking-supply stores)

METHOD

1. **For the cookies:** Pulse the almonds with $\frac{1}{4}$ cup brown sugar in a food processor until fine. Whisk together the flour, cinnamon, baking soda and salt.
2. Beat the butter with the remaining $1\frac{1}{4}$ cups of brown sugar with a mixer on medium speed until fluffy (about 4 min). Beat in the egg. Reduce speed to low and add the almond and flour mixtures to form a dough.
3. Divide dough in half and shape each half into a disc. Wrap in plastic and refrigerate for at least 2 hours and up to overnight.
4. Preheat oven to 160 degrees. Let dough stand at room temperature until soft, then roll out each dough disc on a lightly floured surface until $\frac{1}{4}$ inch thick. Use a cookie cutter to cut out as many stars as possible, rerolling scraps once. Arrange stars 2 inches apart on parchment-lined baking sheets.
5. Bake, rotating sheets once, until the edges are golden (9 to 11 min). Allow to cool for 1 min, then transfer to a wire rack and cool completely.
6. **For the icing:** Whisk the icing ingredients with a mixer on medium speed until smooth. Use a pastry bag fitted with a small writing tip or a resealable plastic bag with a corner snipped off to decorate the cookies with the icing. Sprinkle with pearlised sugar and allow to set (about 30 min). Cookies can be stored in an airtight container, between sheets of parchment or waxed paper, for up to 1 week.

**MERRY
CHRISTMAS!**

DIY CHRISTMAS CHEER!

FESTOONED WITH FESTIVE RIBBONS, GORGEOUS BERRIES AND FRESH-SMELLING PINE, THIS HOMEMADE CHRISTMAS WREATH WILL BRIGHTEN ANY HOME.

MATERIALS
 Fresh twigs
 Real berries
 Dark green waxy leaves
 Pine needle sprigs
 Pine cones
 Cinnamon sticks
 Festive wired ribbons
 Craft wire

TOOLS REQUIRED
 Hot glue gun
 Wire cutter

INSTRUCTIONS

1. Create your wreath base by clipping long twigs from any tree and twisting them into a circle. Use freshly clipped twigs as dry ones will snap. Alternatively, you can also look in your local florist or craft shop for a twiggy wreath base.
2. Wrap wire around the middle of each pine cone, feeding it through the teeth of the cone. Leave enough wire for securing onto the wreath base.
3. Wrap the berry stalks with wire, again leaving enough wire for securing.
4. Prepare leaf bundles by fastening the stalks of 3 – 4 waxy leaves together with wire. Do the same with the needle pine sprigs. Again, leave some length to the wire ends for securing onto the base.
5. Gather together three sticks of cinnamon around and fasten around the middle with craft wire. Cover the wire with ribbon but leave enough wire for fastening onto base.
6. Arrange the berries, leaf bundles, pine sprigs, pine cones and cinnamon onto the wreath base and secure the wires.
7. Add some ribbon as you see fit and you're done! You can even refresh the look of the wreath every few days by adding feathers, different ribbons or fresh flowers.

Find the tools and materials you need from these places:

- Berries, leaves and needle pine sprigs from Xpressflower.com (CWP, NP) and Floret & Teddies (RW)
- Cinnamon sticks from Cold Storage (CWP, NP, CCP, CSC, ACP) and NTUC FairPrice (EPM, YTP)
- Hot glue gun from Popular Bookstore (CWP, NP, EPM)
- Pine cones, ribbons, wire and wire cutter from Daiso (EPM)
- Pine cones and twiggy wreath base from Exim Arts (ACP)
